RE: PREA Assessment / Centre Inc.'s Residential Program located at 201 S. 4th St. Grand Forks, ND 58201 (2nd Floor Transition Program)

The purpose of this report is to serve as documentation regarding compliance with the Prison Rape Elimination Act (PREA) Community Confinement Standards 28 C.F.R. Part 115.213 and Centre Inc.'s Sexual Abuse-Assault Prevention and Intervention Policy and Procedure.

On this date it was determined that the approved staffing plan for this facility provides adequate levels of staffing and video monitoring to protect residents against sexual abuse. All relevant factors were taken into consideration including the physical layout of the facility (no remodeling projects have occurred since last assessment), the composition of the resident population and all if any substantiated and unsubstantiated incidents of sexual abuse. In the past twelve month period one (1) allegation of resident on resident sexual harassment occurred. This allegation was not substantiated. In the past twelve month period one (1) allegation of staff on resident sexual harassment occurred. This allegation was not substantiated.

This assessment found no deviations from the approved staffing plan. The agency has committed the necessary resources to ensure adequate staffing levels.

Sincerely,

Chris Shotley
Director of Operations - PREA Coordinator
